Boardman House Bed and Breakfast

Just two hours from Manhattan, this scenic B&B nestled in Connecticut is a perfect winter retreat for families. Scenically perched on the edge of the Connecticut River, visitors to this beautiful inn will have the opportunity to explore the historic town of East Haddam. The tiny town (pop. 8,333) provides big activities like The Godspeed Opera House, St. Stephens Bell (widely thought to be the oldest in the Americas) and Gillette Castle, which boasts Nutcracker-themed decorations for the holiday season.
